

Dear Students,

Degree Programs of the School of Design will offer their students the Ambassador training paths in Green Technologies, in Smart Infrastructures, in Inclusivity Design and in Creative Thinking.

Students who apply to participate and formulate a Plan of Studies consistent with the chosen pathway will obtain, upon passing the exams, a certificate listed in the Diploma Supplement and recognized with a Digital Badge.

Below are the activated pathways:

- **Integrated Product Design** Ambassador Pathways in Green Technologies, in Smart Infrastructures and in Creative Thinking
- **Interior and Spatial Design** Ambassador Pathways in Green Technologies and in Inclusivity Design
- **Communication Design** Ambassador Pathways in Smart Infrastructures and Inclusivity design
- **Design for the Fashion System** Pathways in Green Technologies and in Smart Infrastructures
- **Product Service System Design** Ambassador Pathways in Smart Infrastructures and Inclusivity design
- **Design & Engineering** Pathways in Green Technologies, in Smart Infrastructures and in Creative Thinking
- **Digital and Interaction Design** Ambassador Pathway in Green Technologies.

Students may show their interest in the Ambassador path for the academic year 2024/'25 from July 22<sup>th</sup>, 2024 to May 30<sup>st</sup>, 2025.

There is no need to attach any document to the application.

If at the moment of the application, the study plan has already been submitted, it must be consistent with the chosen Ambassador Path.

It won't be possible to change any submitted study plan, following an Ambassador application (*The Design School does NOT allow changes in the study plan in the 2nd semester*).

It is possible to get information by checking out the links below:
